YEARS

***U.S. GRANT HIGH SCHOOL***

VOLUME 25

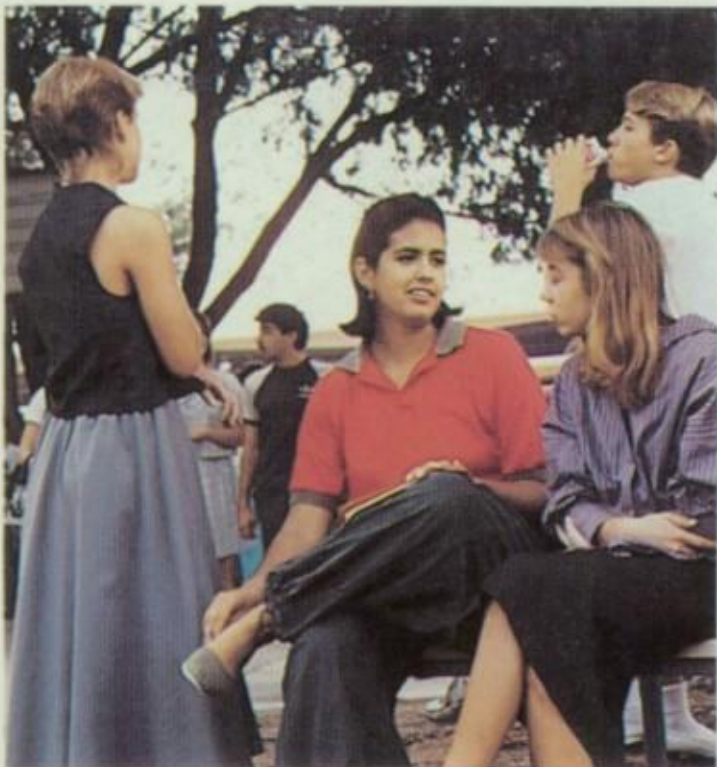

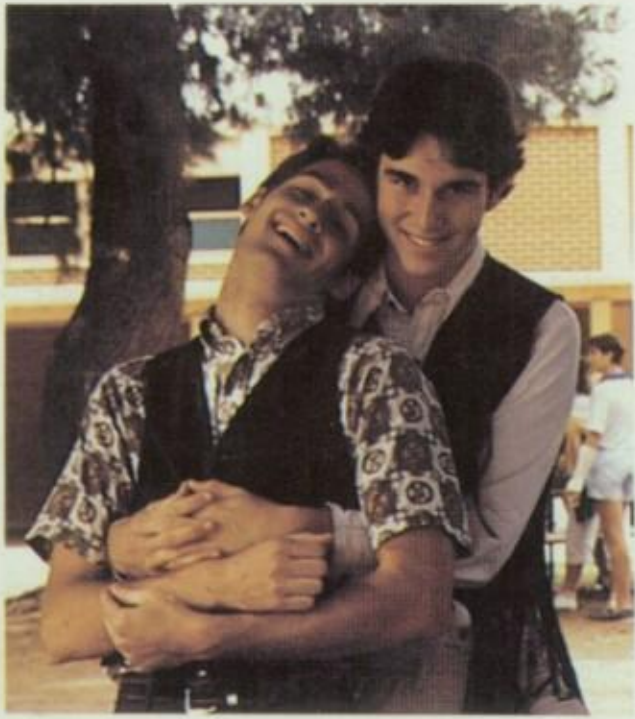

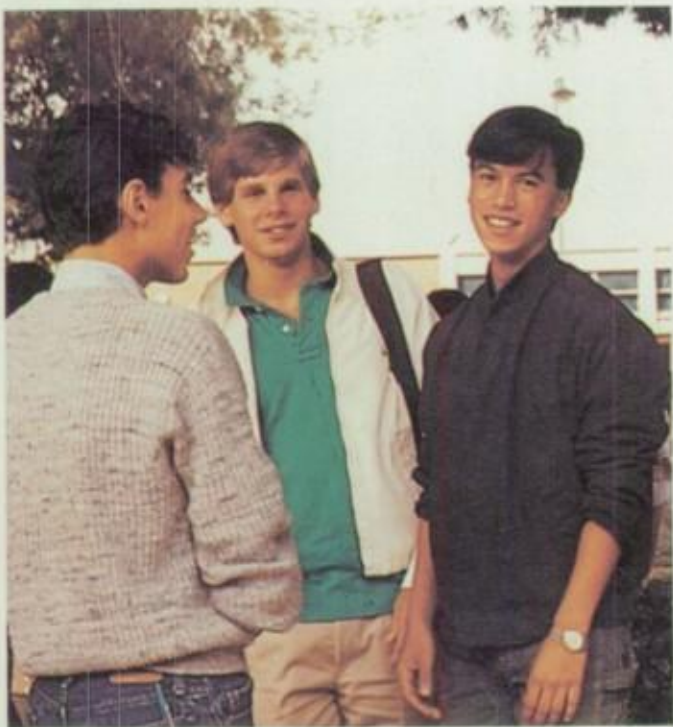

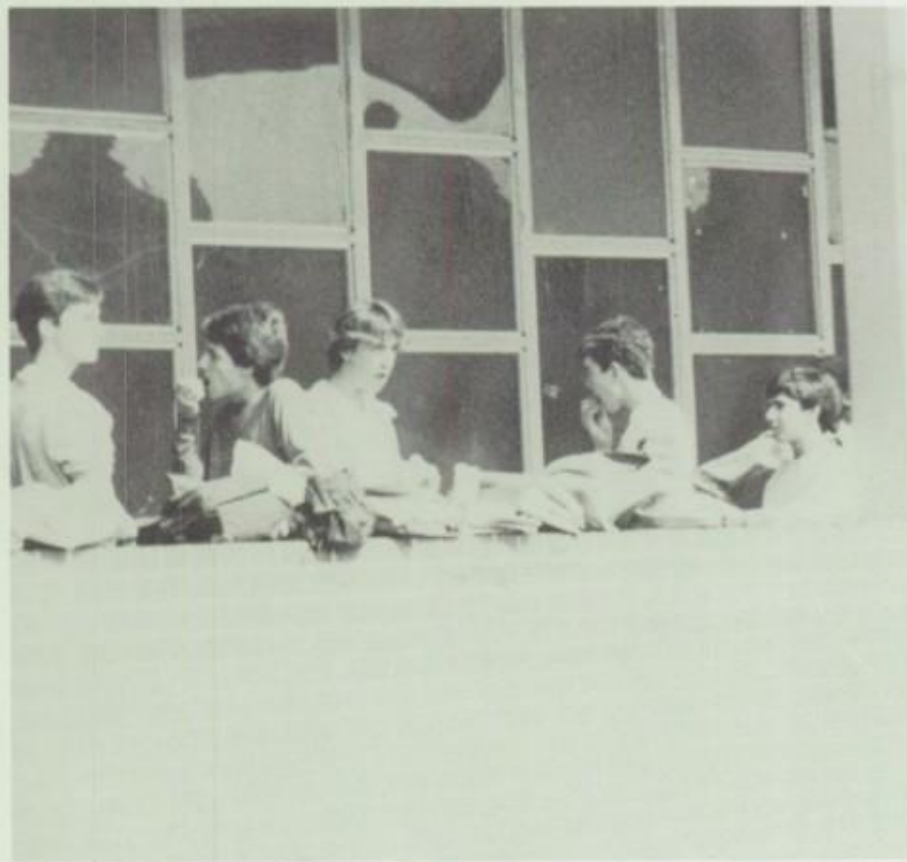

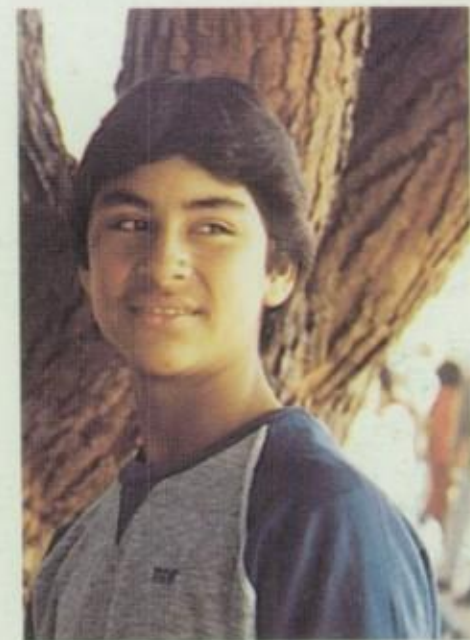

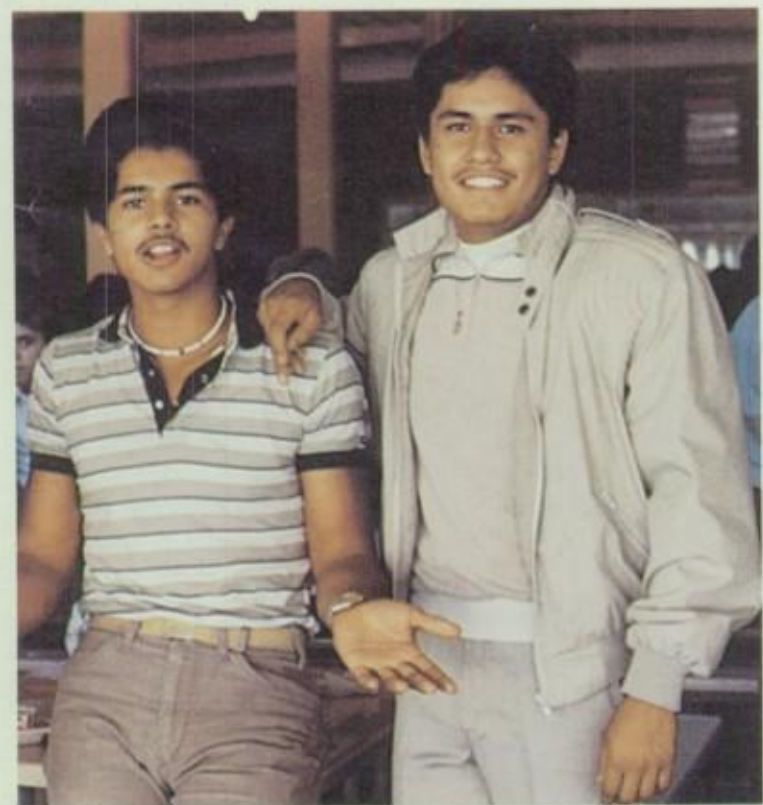

# LANCER

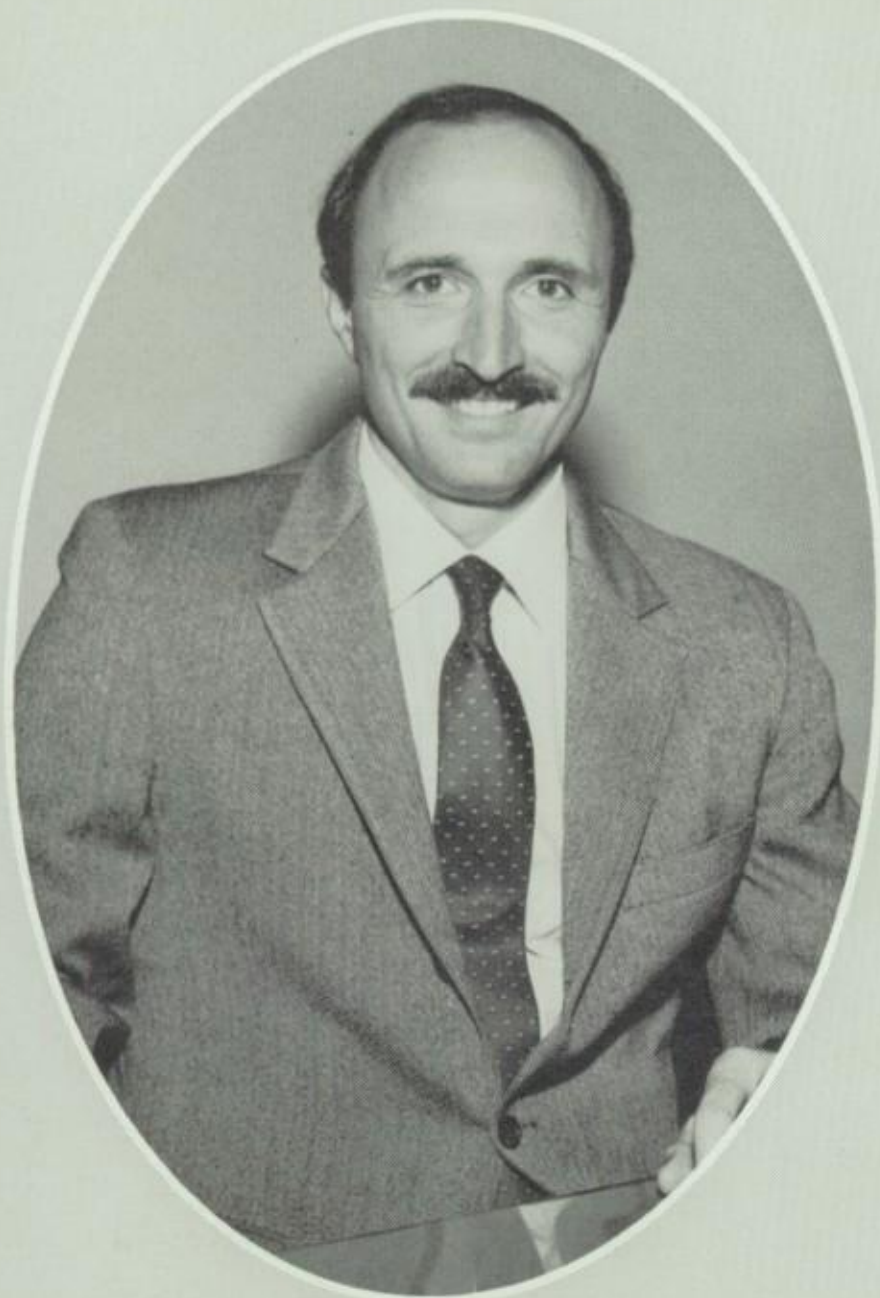

# STAFF

We began this school year, 1983-84, by setting both meaningful goals and high expectations for our school program, student body, and staff.

The 1984 Shield chronicles this year of change and achievement based on directions we set as a school and community. Each page of this annual points to a combination of factors that define success for each of us. Our dedicated and professional faculty, administrators, and classified staff have reflected the best interests of all students and the total school program. We can take great satisfaction in the knowledge that our community leaders and parents have displayed concern, involvement, and commitment to our educational program.

We also take great pride in our student body, led by the Senior Class, "Ecstasy;" Student Council; and many campus organizations. All of our students have worked, studied, and reached our highest expectations.

As the last page of the Shield is turned and the last autograph recorded, each of us can remember this year with pride and satisfaction. Secure in our memories, we can pursue, next year, continuing excellence. It is now that we can appreciate our school motto, "What we are to be, we are now becoming."

## EAST VALLEY LEAGUE CHAMPIONS

The 1984 season for our Grant Lancerets, proved to be a very successful and rewarding season. Despite only two returning players, the team proved that working together can accomplish anything. The Lancer team demonstrated it's strength and spirit through it's 7-1 season, and eventhough they lost one game early in the season, the team went on to defeat all remaining teams and move up to participate in the city playoffs.

The Lancer Athletic tradition has always been of high standard at Grant. This past year has been no different. The records do not represent the pride and determination of the Lancer athletes. Despite hard times, team and individual performances were at a high all throughout the Spring season. The Fall brought on new hopes and the continuing drive of competition. Some lost, others won, but no matter the out come, the flame of victory still burned bright for the Grant Lancers.

Friends are like good wine and I have the best

I have found something in each of you as precious as life. As beautiful as love. In each of you I have a true friend.

I love you all,  
Brenda

Sometimes when I'm alone, I sit and think about how I've spent my day; A memory or two will pop into my head, and I find tears in my eyes at the thought of going away

When I think about all the time I spent wondering — Does he like me? Is it love or just a crush? I smile at the thought of how my high school years I've tried to rush.

But now I realize what great years those have been, with all the good and bad memories I have seen; these memories have helped me grow and shape my life, and I hope it will be a long time before I see strife.

The years that we've been friends and everything we've been through, will always lay in my memory and no matter where I am I'll always think of you.

Wills From Sean Sherrod

1 - To my "little brother" JOJO: Well pal, we've been through a lot together (if not it all) in our 4 years of friendship. Laughter, Drums, Fights, Girls, more laughter, more drums, more fights, more girls . . . well, you get the general idea - right? No, but really, Grant Marching Band, Rose Parade, Mom's business trips, All City Band, etc!!!! Geez, All City!!! Marching around Dodger Stadium five times almost everyday over Christmas vacation. Some vacation!!! Scott, Doug, Rob, "Pink Shirt Everyday" Dyon, "Funky" Dale, Mr. Quan, those guys were just as crazy as we were, if not more!! It's been great sharing times like this with you yo yo, and I'm sure what ever we decide to do, between going to Pierce or joining Mark G. at P.I.T., we will have times just like these!!! Take it easy lil bro!!!

2 - To my "older brothers" Mark and Gerhard: I still can't believe that for the amount of time it feels like I've known you guys, that it's really only been four years! I feel as if I've been around you guys since day one! Since our first meeting in 9th grade, life for Binoya, you guys and me has changed drastically!!! Before we used to tell good jokes and date bad chicks, now we tell bad jokes and date worse chicks . . . Ba Dump Bump!!! See what I mean? Just kidding guys!! Anyway, you guys are my best friends and I hope you always stay that way!!! Ps: After that last compliment, I hope you guys don't still feel like hitting me . . . especially you Mag!!!!

3 - To Josie, Karina, and Lisa: It's wonderful play families like you, who make wonderful play brothers/sons like me so wonderful!! I love you!!!!

4 - To my cousin Ray (Theron), to the "Human Fire Hazard" Paul Sobel, to "King Smart Mouth" Scott Randell, and to the "Shrink: Head Doctor" Max, Thanks guys, it's people like you who make people like me crazy!! Take care my friends!!

5 - To Mark Stone: I probably never told you this before and I'll probably never tell you again, you're a terrific person . . . for a teacher!!! Ha! Ha!! No really, thanks for everything Mr Stone. Believe it or not you did teach me a lot . . . I would tell you to take it slow but a guy your age doesn't have much of a choice! Ready . . . 1 . . . 2 . . . 3 . . . JACKED!!!!

6 - To my Grandparents (Nana & Pop-Pop): Thanks for the things you have done for me over the years . . . Love You!!!

7 - To my Dad: Thanks for the drums, thanks for the great times in Vegas - and most of all, thanks for the friendship!!!!

8 - Last but not least, to my Mom: Hey Delores, well here it is, end of a 13 year pain in the tush. Yes 13 years . . . I hated kindergarten too!! Ba Dump Bump!! I just want to tell you Mom, thanks for everything. I know I've taken you through a lot in the past and especially this year, but hey, you have too!! See there Dee, we're made for each other!!! Well anyway Mom, take it easy, hang loose, stay solid . . . Oh and Mom . . . I love you!!!!!!

## A TRIBUTE TO THE BEST OF THE BMOC'S

PAUL STEIN:

Dude! Are those new shoes? HEY,HEY, HEY - off the Nikes! What's new in the library? Kicked out again? Bus stop - not by William Inge. Yeah well, you know. Are you bored? Did you really work on Birdie? Lets go to the bench. How's Bullmoose? You cried during "Happy Days?" What's wrong? Not another diet! The hot dogs got a little burnt. Hi Steve - I mean Paul. Your brother - the little what? New York, New York. Popcorn, peanuts. How much weight have you lost? Doubledates. A 96! How's the Elephant Man? The lady hates you, huh? No one reads the editorials. Popeye vs. punks in a car race. Walk you to French? How'bout a party on the beach? Spagetti on a car? Watch the language, dear. Let's T.P. a house. Pictures in McDonald's. Oh Five or twenty? Which Miceli's? Problems, problems. What should I do? You're my bud, Paul. Love, Fiona.

Dear Paul,

Have I ever told you that of all the guys I've known, it's you that deep down, reminds me the most of myself? Shy, yet outgoing - always quiet on the outside about your ambitions, but on the inside, dreaming like a Walter Mitty of expectations you have for yourself. Yes, if I do say so myself, they are qualities I respect in a person.

Strangely Paul, When it came to writing letters to you three, it was yours that was the hardest. I can't find the words to say quite what I want. I always know that I can count on you to be there if I need someone - and I always know that you'll go out of your way to show you care (even if its just a phone call). Perhaps you think I don't notice - but, believe me, I do. And if, at times I take my bad moods out on you, it's only because I feel comfortable enough to know that I can be human. Thank you so much, Paul Love, Marlene

STEVE GORDON:

Cleaver! That's Dawg! Don't forget. I got sunshine. Did you do your Biology? Gee pee wee, you can't flunk your senior year. Let's get beat up at Baskin Robbins. Sunburnt again? There's a hole in your lip. Paul's birthday is coming. A Homecoming Queen? How's Flat F? Make any cranks lately? It was so incredible! Toilet paper on your car. Slumber Parties. Read a playboy today? How'd you know it was me? Cakes on a doorstep (yours and mine). Who told you that you could water ski? All those kept and unkept secrets. Got caught in a park. I can't believe I'm telling you this. Last Halloween. Should there be a comma here? Lousy yearbook messages. No hard feelings? Love ya (get it?) Chick.

Dear Steve,

Everyone seems to think that the jokers never seem to care - in fact, if you recall last Halloween, I said that exact line to you (we

won't mention what followed, will we?). I'll admit Steve, that there was a time there when you were the only person that could really make me laugh. I'll never forget your endless stories about the "Merry Fairies" or which girl you were going out with this week - each one followed by your usual, "It was so incredible!"

But it never really dawned on me that you actually cared, until that night you showed up on my doorstep, with cake in hand just to cheer me up when I was down. Or how 'bout that other little favor you did for me on the night of the one-act performances - no one has ever done anything like that for me before in my life (and to think that at that time I thought you were my enemy). I just want you to know that I'll never forget what you've done. Thanks for that, and a whole lot more! Lots of Love, Marlene.

RICHARD HORVITZ:

Hey Bud! Maybe you're not so bad. Dirty jokes from dirty minds. Give me an "A" on my spelling test. Which is the correct pronunciation? How are John and Mary Mistletoe? Fights, fights, fights. Long talks outside the 600 building. Still wanna be Spike? Let's go for a walk around the wash. Macho poster for a birthday girl. Paul's case. I'm going to French. Strip poker. Did Sister Mary explain it? Three hour phone calls. How was Houlihan's . . . or Buena Vista Lake? Ah, surprise parties. Wanna cake in your face? Billy Joel says goodbye. Disneyland tomorrow (maybe twice). Elph Beasley . . . or was it Alf? Try-outs next week. Would you settle for four leads in two plays? This is R.H. with the . . . It's Christmastime in January. Tell me a secret. Lost an appendix lately? The invalid licked Jack because it was mandatory for equal protection. Did Spock die? Which nose did you prefer? Was the prom that bad? Hugged a Teddy Bear today? What else to say? The feeling was very mutual. Love, Leenybopper.

Dear Richard,

In this trio of fella's, you are to me as the Scarecrow is to Dorothy at the end of "The Wizard of Oz" (watch the movie if you don't know what I mean). It's been such a strange three years - and so much has happened since that first day of Geometry. When you were one guy with his six girls - leader of a family - you don't know how many times that inimitable Horvitz flare lifted many a down spirit. Of course I can only speak for myself, but that time will always remain among the finest I'll ever encounter!

Knowing that Rich Horvitz - the funny one, always ready with a joke, or song and dance was nice, but that's not from where the attachment grew. The "bond" stemmed from that seldom seen sensitive side of Richard Horvitz - the one that hurts and feels and cries - just like everyone else. You shared that with me - along with your biggest dreams and deepest fears - and that is the Richard I'll always remember and love. I'll never forget you, and I'll always be here (just like breezes here in old Shanghai . . .) I love you, Marlena

# FRIENDS

A lonely soul walks the earth.  
It is the soul of loneliness,  
and of friendless people.  
What are people without friends?  
They are empty hearted, and faced  
with a life of sadness.  
Friends bring to empty darkness,  
a warm and radiant glow.  
Friends bring to sadness, the gift  
of joy and tranquility.  
Friends bring to the hopeless,  
the faith of companionship.  
Friends fill the emptiness in the  
heart with love and space of glory  
We are Friends!!

Jennifer Yee

## KIRSTIN AND LAURA

You're the kind of friend I'd always hoped to find, so very good at listening, so giving, warm, and kind...

I'm the kind of friend who needs someone like you to share my happy moments, and to cheer me when I'm blue...

We're the kind of friends who'll never drift apart, because our friendship is the kind that always warms the heart.

## FRIENDS FOREVER

YOU

AND

ME

Debbie - you're truly a friend. Through thick and thin we can depend on you. We love ya Deb!!!  
P.S. Who are you going out with this weekend???

om and Aba - The best way that I can thank you for all your love and support is to say I LOVE YOU !!  
Jackie - We share a magical friendship, unequal to any, unsurpassed by time, endured only by the bond that ties us - memories I love ya  
ari - You are what you want to be, special, caring, loving, my friend - Ramah '83  
allit - You're beautiful - I love you sis - more than you'll ever know.  
apta - You are always right and you're in my heart and thoughts always.  
arbie - Far or near, friends we'll be forever and ever you and me

Mommy & Daddy - I love you both more than words can ever express. In my eyes, you are the best parents anyone could ever have.  
Mama Bacha - Please love me more than you love me.  
Papa Morrie and Cesia - Thank you for a life full of love and understanding. You two are the best grandparents anyone could ever have.  
Jimmy - No matter how tall you are, you will always be my handsome LITTLE brother. You know I love you, sis.  
Joe - Egypt and Vegas ... I know our memories and friendship will last a life time! I LUV ya.  
Trisha - I understand!!!  
Orly - After five years of the best friendship, we've only just begun ... Our friendship is the ultimate!!

Walk With Me

I hope you'll always walk with me  
 Along life's merry way  
 We'll laugh aloud, and dream great dreams  
 And let our fancies play . . .  
 Life's much too short to do the things  
 That cry out to be done  
 Let's make each day we have at hand  
 A bright and happy one . . .  
 There'll be sorrow here and there  
 For each must get a share  
 But troubles prove how much it means  
 To have good friends who care . . .  
 And think of all the happiness  
 The joy and blessings, too  
 That deepen and grow richer  
 When they're shared with friends like you . . .  
 So if you'll say you'll walk with me  
 As every year goes by  
 You'll always have a loyal friend —  
 And what's more . . . so will I !!

Doris Faulhaber

I have journeyed to the rainbow's end and have found not gold, but you my friends . . .

Dalia - Since the 6th grade (Molina), Millikan, Habonim, and living so far apart (even though we can both master the freeway in 20 minutes now) we have had our ups and downs - but I guess that's what a true best friend is all about - the good always outweighs the bad. We've lasted through so much. You are my best friend . . . forever . . .

Risa - WOW! That's what it's like when we're together. Dancing, S.B., P.S., Israel, Hard Rock and L'Express would never have meant a thing to me unless you were there to share them with me, My soul mate . . . I'll always know where you are and what you're doing and probably be doing it at the same time . . .

Patti - A friend is a friend is a friend. You, my dear, are a friend. Our jokes, however, should be condemned! Why is it we are the only ones that ever laugh?! You listen to all my complaining and always have an answer that of course makes everything all better. But you really are goofy and I know - it takes one to know one. A friend is a friend is a friend . . .

Andy - Never a dull moment when you're around. Never does my smile leave my face. You always force me to face reality at the exact time I need to be brought back to earth. I know you will always be there for me and I will forever be knocking on your door . . .

Ricky - You've taught me things I never thought possible. You were always special to me and you will always be special to me. I will carry with me, wherever I go, a small part of what we shared together. By the way - the wedding's still in 25 years, isn't it?! Don't be late . . .

Mommy, Daddy and Gil - Isn't it amazing that great people like us can be related?! I love you all for everything . . .

And to all those people I have met along the way - Thank You for making my life that much better . . .

David - The sheets, Bobs, Cripples in Carl's . . . You're my best friend and as another brother.

Sharon - too much love and not enough words . . . forever a part of me . . .

Debi - "I honestly love you" . . . and more!!!!

Gary - I'm not going to say it because you know what I'm thinking

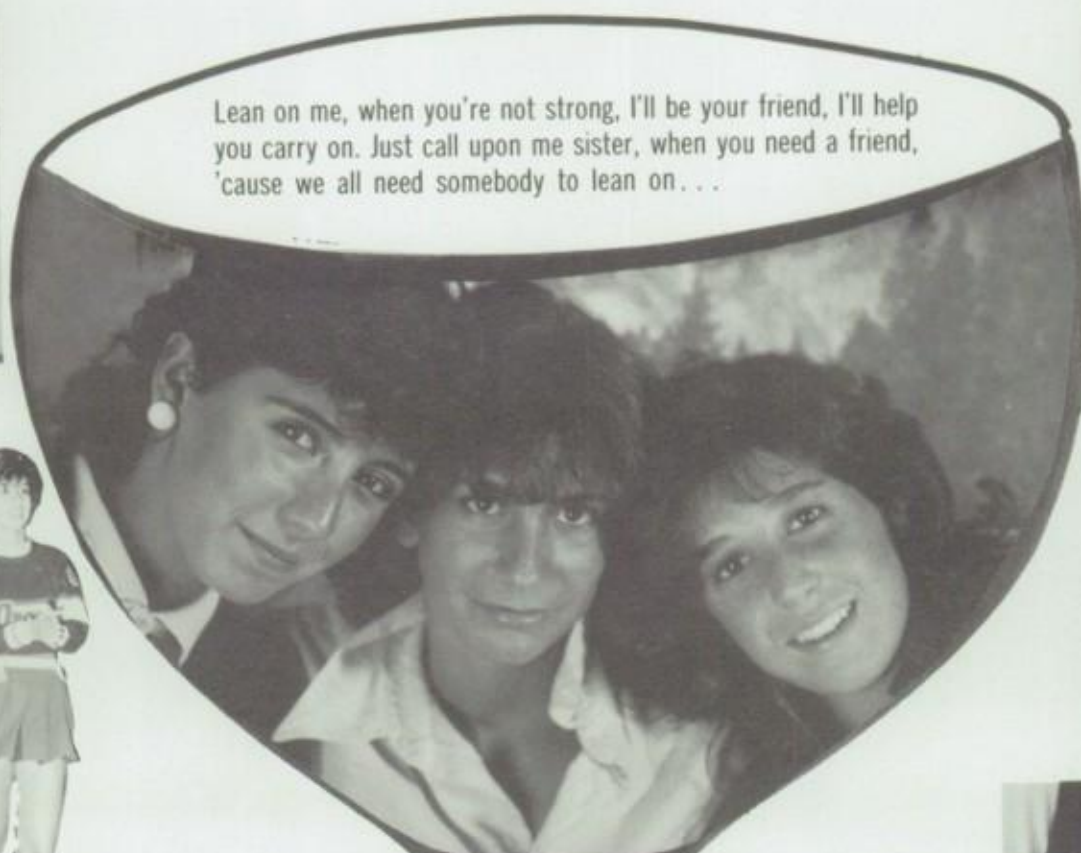

Julie - Thanks for always being there . . . I love you!!

Jeanne - out of sight but not out of mind . . . you will always be special in life.

### "Good as Gold"

Chrissy, Stephanie, Cindy and Le  
 A friendship pure is good as gold  
 It can't be bought, it can't be sold  
 More important than anyone thing  
 A friendship can mean everything  
 One thing I'm sure you realize  
 A friend is always by your side  
 A friend will comfort you when you cry  
 A friend to you will never lie  
 A friend can always make you smile  
 A friend's still a friend thru all time

Love Ya  
 Terri

To my three best friends - Chrissy, Stephanie and of course my (Sis) Terri. You guys are the meaning of true friendship and I hope our friendship will continue to grow and never end. Thanks for all being there ...

I love you guys ... Love Always, Cindy

To my very special friend Mary, A friendship like ours is like no other and only one word to describe it "SPECIAL" ... Stevie Nicks and Teddy Bears are #1 and Mare, so are you ...

I Love Ya ... Love Bear

To Chrissy, Stephanie, Terri, Mary - Always remember that Stevie Nicks, Adam Ant, Michael Jackson and Duran Duran are number 1 ... Love Bear

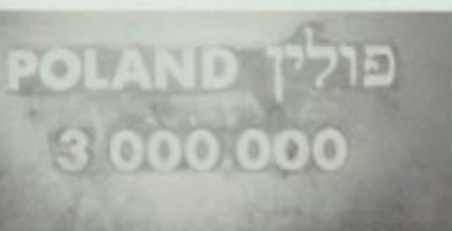

We've all grown up together, had many great times, went places together, together, cried together, and laughed together ... Too many memories to write the best way to put it is "I Love You" ... Chrissy

Our long-lasting friendship has made so many good memories and a few bad ones, but I will never forget the friends that I have grown up with and I love you all so very much ... Stephanie

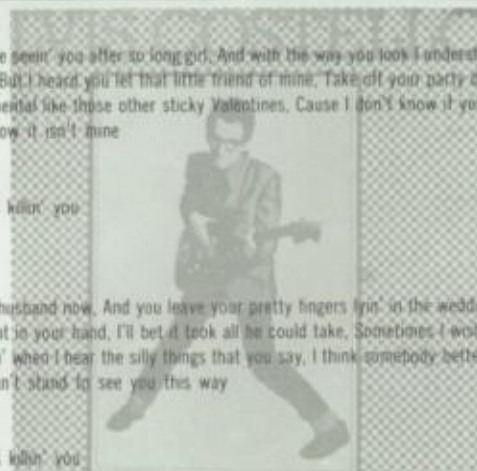

Alison  
Oh, it's so funny to be seen' you after so long girl, And with the way you look I understand that you were not impressed, But I heard you let that little friend of mine, Take off your party dress, I'm not gonna get too sentimental like those other sticky Valentines, Cause I don't know if you were lovin' somebody, I only know it isn't mine

Alison  
I know this world is kickin' you  
Oh, Alison  
My aim is true

Well I see you got a husband now, And you leave your pretty fingers lyin' in the wedding cake, You used to hold him right in your hand, I'll bet it took all he could take, Sometimes I wish that I could STOP you from talkin' when I hear the silly things that you say, I think somebody better put out the big light, Cause I can't stand to see you this way

Alison  
I know this world is kickin' you  
Oh, Alison  
My aim is true
